mirum access® PLUS
Navigating Together

ATEBRIOZ™
zilurgisertib tablets 25mg

You and your doctor have chosen ATEBRIOZ.

Let's MAP out the journey from here

1 **A quick signature is all it takes to get started**
Once your doctor sends us your signed ATEBRIOZ enrollment and consent form we'll call to welcome you to Mirum Access Plus. Look for a call from **855-676-4968**.

2 **MAP works with your HCP on insurance coverage**
We'll keep you informed of any requirements needing your input. Otherwise, we'll call as soon as it's approved.

3 **Financial support, if you need It**
If cost is a concern, MAP will help you explore support options you may qualify for, including the MAP Savings Program for commercially insured patients.*

4 **ATEBRIOZ is on its way**
Once your coverage is approved, Eversana, MAP's specialty pharmacy, will call to schedule your shipment.

5 **MAP stays with you**
Your Patient Navigator can help with adherence, scheduling refills, answering insurance questions and providing ongoing access support.

MAP, Mirum Access Plus®.
*Subject to program terms and conditions.

Patient Navigator

Let us help guide the way

Your Patient Navigator can:

- Provide education related to your medication
- Answer questions about your health insurance
- Help explore your options for financial assistance
- Coordinates medication deliveries, including refills

Call MAP at 1-855-676-4968 or scan the QR code to visit **mirumaccessplus.com** for more information on how to get started

COMING 2027

Mirum Access Plus will offer **MAP Mobile** —a simple online tool that helps you navigate updates on your prescription, access helpful medication information, manage your refills, and provides educational resources.
